

**ICHI ZEN**  
JAPANESE RESTAURANT

# NOW OPEN

@ TAMAN KOTA SYAHBANDAR, MELAKA

With doors wide open now, Melaka Ichi Zen sets to treat you best!

Ichi Zen, founded by Edo Ichi Group of Restaurants, contains two underlying concepts under its name, one being the heritage of ancient Edo period's value towards food, and the other is the connotation of the name that literally meant 'Edo Period's number one meal' in Japanese.

Abiding Edo Ichi's brand qualities, Ichi Zen successfully transcended both the orthodox and innovation of Edo cuisine into a unique food approach composed of the purest ingredients. A long list of dishes comes with their menu, including made to order sushi and custom pork dish which will freshen up your tongue while being served like an honorable. These signature yet unrevealed recipes have since built the hype amongst food goers.

The address is 30, 32 & 34, Jalan KSB 1, Taman Kota Syahbandar, 75200 Melaka. Tel: 06-288 0061
