

膳戶现于 北海开张营业!

北海《膳戶》， 经已隆重开业!

北海是檳城大陆区块的重点城市，江户一因而选择在此开设《膳戶》系列的第三家门店，这个让人振奋的举动将为北海印上一张新的美食名片，给当地人们带来日料美食的高端体验。

江户一在北海所开设的《膳戶》乃有别于一般同系门店，乃属于御品（旗舰店）级别。与其他《膳戶》门店不一样之处，北海《膳戶》室内装潢更能展现低调奢华感，堂食寿司采取即点即做尊贵且快捷的服务方式，为喜爱时尚潮流的北海年轻族群带来非一般的寿司体验，独具风格的贵宾厢房，则是喜爱安静用餐族群的最佳与最华贵选择。

北海《膳戶》坐拥三千多平方尺的宽敞空间面积，地址为31G, 33 & 35G, Jalan Todak 6, Sunway Perdana, Seberang Jaya, 13700 Prai, Penang, 联系电话为04-3831478

《膳戶》系列的标准店与御品店，在母公司江户一餐饮集团的精心设计下，将在全马各地的主要华人城市陆续亮相，为集团缔造新的里程碑，与集团旗下的姐妹品牌如《江户一》、《东料理》和《花料理》等同日辉映。

Butterworth Sushi Zento is feast ready

With doors wide open now, Butterworth Sushi Zento sets to treat you best!

As one of the main urban areas in Penang, Butterworth was deliberately handpicked by Edo Ichi Group to be chained with the group's very own Sushi Zento outlet. Hence, we literally put a new face to the town, but not an ordinary one, it is rather a cuisine haven for the locals to experience high-end Japanese delicacies.

Its uniqueness, is the outlet itself being classified as Royale Flagship Status, highly unlike its fellow stores. To further elaborate, it has an outstanding interior designed conservatively on the view but extravagant in details, and provides delicate sushi dishes which are being made-to-order as well serve with haste to the consumers. Beyond doubt, both these selling points will ascend the outlet to become the must-go of Butterworth youths as they are expected to fully enjoy memorable dining sessions filled with excitement there. While for customers who crave for more privacy, the sophisticated guest rooms are specially prepared to them for a tasteful yet tranquil dining.

Also, Butterworth Sushi Zento sits on 3,000 square feet of spacious space which is comfy and cozy guaranteed. The address is 31G, 33 & 35G, Jalan Todak 6, Sunway Perdana, Seberang Jaya, 13700 Prai, Penang. Tel: 04-3831478

We foresee, under the supremely designed superintendence of Edo Ichi Group of Restaurants, the Royale and Standard Sushi Zento outlets will gradually pave its way into more major Chinese ethnic cities throughout Malaysia, and eventually unveil a new milestone for the Group along with the Group's bright shining flagship brands Edo Ichi, Azuma, Hana and so forth.
